**Prof. Dr. Gerhard Fischer  
Founder QRS®**

There is around 75000 billion cells in an human body have to function correctly for us to feel healthy<sup>1</sup>

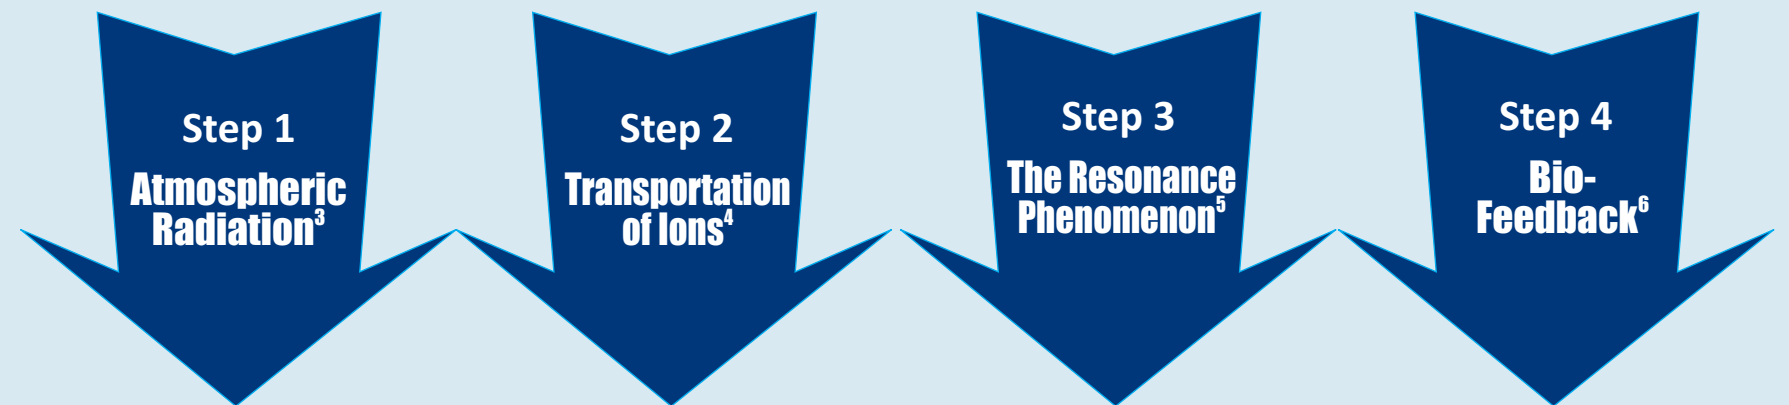

Quantron Resonanz System  
The Medicine of the 21st Century

**QRS® Treats and cure the CAUSE (ill cells) rather than the symptoms<sup>2</sup>**

**"QRS  
is highly effective in  
every "repair" process  
in the body where  
the cells and  
tissue require oxygen  
for repair<sup>1</sup>**

## **Strongly Improves<sup>2</sup>**

- ❖ The blood flow & micro circulation<sup>2</sup>
- ❖ Intake of oxygen by red blood cells<sup>2</sup>
- ❖ Viscosity (blood get thinner)<sup>2</sup>
- ❖ PH value<sup>2</sup>
- ❖ calcium-magnesium<sup>2</sup>
- ❖ cholesterol<sup>2</sup>
- ❖ Regularize heart beat and blood pressure<sup>2</sup>

**Dilation of the capillaries<sup>3</sup>  
(through Nitrogen Monoxide)**

# To ensure Relaxation, wellness and Regeneration

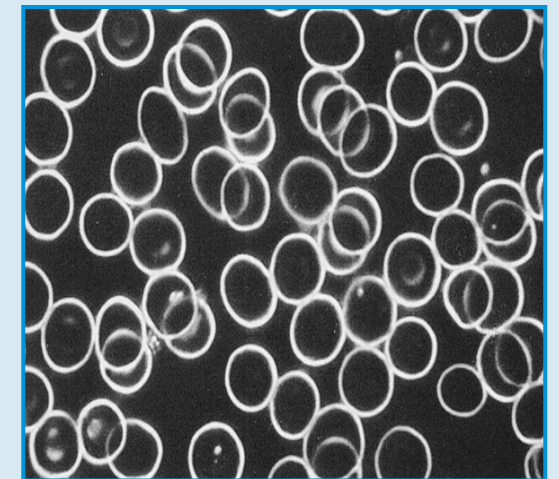

Quantron Resonanz System  
The Medicine of the 21st Century

The use of electromagnetic stimulation under patented frequencies, open the cells membrane to take vitamins, minerals and oxygen<sup>1</sup>

- Cells originally stick together
- Limited capability to take in oxygen
- After 5 minute QRS<sup>®</sup> treatment cells are separate with high potential to take in oxygen<sup>2</sup>

Cells Before the Treatment

Cells after 5 minutes treatment erythrocytes comes apart
